Reduction in the rate of daily allowance of Officers treated as State Guests.

OFFICIAL MEMORANDUM.

O.M. No. FL. (B) 13297-397—C.R. 31-53-1, DATED BANGALORE, THE 23RD DECEMBER 1953.

A Government servant who avails himself of State hospitality should indicate the fact in his Travelling Allowance bill for the information of the countersigning authority and the Audit Officer. The object of this provision is to ensure that daily allowance is not drawn by them at full rates for the period in such cases.

It is the duty of a Government servant who is treated as a State Guest for any period during his official tours/deputation to give full particulars of the fact in his Travelling Allowance bills and to claim daily allowance for that period only at reduced rates as prescribed in Articles 551 and 552, Mysore Services Regulations.

The Accountant General, Mysore, Bangalore, has reported that as certificates or information to the effect that they were treated as State Guests have not been recorded by Government servants in any of the bills so far, it has not been possible for audit to regulate the claims of daily allowance according to the rules prescribed in the Mysore Services Regulations.

The suppression of any material information in this regard on the part of officers would be regarded as a breach of discipline and would render them liable to disciplinary action.

It is equally the responsibility of the Controlling Officer to ensure at the time the bills are countersigned by him that such information is not withheld. This applies also to cases where officers are provided with free Boarding and Lodging by Industrial Concerns as referred to in Note 2 to Article 552 of the Mysore Services Regulations.

Secretary to Government,
